HB 2684 - SB 2609

February 3, 2012

SUMMARY OF BILL: Authorizes a medical doctor or an osteopathic physician to report to a law enforcement agency any unauthorized use of their drug enforcement administration (DEA) registration numbers. Grants immunity from any civil or criminal liability to the doctor or the physician if such report is made.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Authorizing doctors and osteopathic physicians to report any unauthorized use of their DEA registration numbers and granting them immunity from any civil or criminal liability that might otherwise be incurred will not have a significant fiscal or regulatory impact on the Board of Medical Examiners or the Board of Osteopathic Physicians.
- Pursuant to Tenn. Code Ann. § 4-3-1011, all health-related boards are required to be self-supporting over a two-year period. As of June 30, 2011, the Board of Medical Examiners had a balance of \$1,465,207.30 and the Board of Osteopathic Physicians had a balance of \$227,559.19.
